Description

Abel Solutions employs innovative technology to increase the productivity of businesses by making the right information available to the right people at the right time.

A Microsoft Gold Certified Partner for Information Worker and Integrated E-Business Solutions, Abel Solutions is widely recognized for our SharePoint-based solutions, custom application development and innovative delivery methodology.

Abel Solutions has been delivering custom solutions for businesses, state and local government and non-profit organizations since 1997.

Solutions

Custom Application Development. Abel Solutions has a rich history of delivering successful custom application development projects since our inception. Our strong commitment to project management, software delivery methodology, and technology competency has resulted in quality solutions that have met and exceeded our customers' unique needs across a variety of industries.

Information Worker Solutions. Abel Solutions delivers a full range of information worker solutions based on Microsoft's SharePoint platform and related technologies. Our solutions allow our customers to realize the Four Promises™ of this robust SharePoint technology: (1) Find and use knowledge, (2) Enable collaboration, (3) Automate business processes and (4) Manage business performance. Solution types include:

- Employee Onboarding
- Knowledge Management
- Marketing Collateral Portal
- Imaging/Enterprise Content Management
- SharePoint Staff Directory

FastPortal. Abel Solutions' FastPortal™ is the bundling of a foundation SharePoint portal, templates, worksheets and training with a service delivery methodology that allows a company to get up and running with a SharePoint Portal in less than 4 weeks.
